

# 2018 Lutheran Hills Work Days

## **First Day of Spring Work Day** **Saturday, March 17**

We can't wait to get started with a new camp season. This takes place on St Patrick's Day and is the first time we get the campsite organized for 2018. Work projects include some light carpentry, indoor painting, and cleaning. We begin at 9:00 am. Lunch is provided. Please tell us you're coming by calling in an RSVP with Kathy at (812) 988-2519.

## **Spring Work Day** **Saturday, May 12**

This is the day we begin getting the camp ready for a busy summer. We open up and clean the youth cabins and do a variety of outdoor work—mowing and trimming, blowing leaves, and setting up summer program equipment. We begin at 9:00 am and will be finished by lunchtime, which is provided. Need free Friday night overnight accommodations? Contact Kathy at (812) 988-2519.

## **Lumberjack Day** **Saturday, Oct 27**

Sawing up and splitting firewood is the theme of the day. We provide the chainsaws, work gloves and the gas-powered log splitters. We begin at 9:00 am and we work through lunchtime. Lunch is provided. No need to RSVP, just show up.

## **Tecumseh Trail Day** **Thursday, Nov 1**

The annual day we do maintenance on the Tecumseh Trail, a 45-mile hiking trail that runs for nearly a mile along the Lutheran Hills property. We begin at 9:00 am and work until 12 noon. We'll provide tools, work gloves and trail transportation with the camp's Polaris Ranger trail vehicle. RSVP with Kathy at (812) 988-2519.
