LOMIK

What's in a Name?

What do you think of when you hear or see LOMIK? Lutheran Outdoor Ministries Indiana-Kentucky is quite a mouthful and equally confusing to some. In many conversations I have with people it can be challenging to describe what we are about in the various aspects of our ministry. Often times folks will simply refer to a particular LOMIK site, sometimes not even aware that we are one camp with three sites (Lake Luther, Lutheran Hills, and Lutherwald). Yet even our three amazing sites cannot encompass all that we are about.

So what does it mean to be a part of LOMIK? We are "Lutheran" because that is our history and our theological grounding, and being Lutheran means we understand that the Gospel is for everyone so we are open and welcoming to all. "Outdoor" means that we are particularly focused on engaging God through this vast creation. We are indeed a "ministry" because we are called by Christ Jesus to share the good news in all that we say and do. And "Indiana-Kentucky", well that one should explain itself, though it is a fact that we easily and often go far beyond those arbitrary state borders with campers, staff, guests and supporters.

In the coming year we will be continuing to explore new and exciting ways we can work with congregations, families, and all interested persons to provide Christ-centered opportunities for building faith and life-long relationships in safe, caring, and fun environments.

Great Things Happening

New Faces and New Places

As LOMIK continues to transition and grow there are lots of new things taking shape:

We will be bringing some new folks on staff to help us meet the challenges of a changing world and society. Building on our strong tradition of wonderful leaders, we are in the process of reshaping our staff and finding the right people to help LOMIK move forward. After a number of years of faithful service, Elizabeth Richey is leaving as property manager of Lutherwald to pursue new adventures (we wish her all of God's blessings). Also, Sandy Radloff, long-time bookkeeper is retiring in mid-December. Her dedication and contribution to this ministry cannot be overstated and we bless her in this new phase of life. Early in 2020 we plan to be getting new staff in place.

A new staff house is under development at Lutherwald. This will allow us to attract and house the right folks we need to move the ministry forward!

LOMIK will be transferring to a new administration software so registration will look a bit different in 2020. This should help us more efficiently and helpfully communicate with all LOMIK participants.

God continues to do great things in these sacred places we call camp!

Camp Creates Relationships... **Amazing Campers**

Relationship is at the heart of what camp is all about. First and foremost is God's relationship to us, particularly explored through God's wonderful creation. Fellow campers are one of the amazing ways God brings good news into the life of every camper!

...That Make a Difference for a Lifetime **Amazing Staff**

The relationships formed with our amazing staff are based in the love of Christ and sharing that faith with all.
