

LOMIK Lent Prayer Campaign 2019

We invite you to pray for Lutheran Outdoor Ministries Indiana-Kentucky this Lent! Our ministry is not possible without prayer, so we thank you for helping us prepare for our summer ministry by covering our camps in prayer. During Lent we remember our Lord's love for the world, and many of us engage in a spiritual or physical discipline to draw closer to God. We hope that this prayer campaign will be a beneficial addition to your Lenten practices and thank you for your support of our ministry.

Instructions: Lent is forty days long, so we have included a list of forty items to pray for, one for each day. We also included the list of our staff members for this summer so you can pray for them by name. (You will notice that our staff is not complete yet; please also pray that God will bring us the people we need for a complete staff!)

You can approach this prayer campaign anyway you would like. What has worked well for our Lutheran Hills manager in the past was she prayed for the day's topic during her morning prayer time then wrote it on a slip of paper and attached it to her wrist with a paperclip. Whenever she looked at the bracelet throughout the day, she would pray for the item. She connected the bracelets into a chain as Lent progressed to remind her of the prayers for our ministry. In the summer she put the prayer chain in her room to remind her of the prayers (hers and others) that were supporting our work. If you would like to go this route, you are welcome to mail the bracelets to us before the summer, and we will hang them in our staff lounges as a reminder to our staff of the people and prayers that are supporting them. You could also write the word on your hand as a reminder throughout the day, or perhaps your family could pray for the day's item at dinner or before bed.

Since the forty days of Lent do not include Sundays, you could pray for the staff by name every Sunday. Or however you like! Please incorporate this into your conversations with God however suits you best!

At the end of the prayer campaign we ask that you write a note to our summer staff to let them know that you prayed for them. We will post your note in the staff lounges to encourage our staff throughout the summer!

Thank you very much for your support!
