As with most everything these days, the COVID-19 pandemic has impacted our summer camp program. Acting out of caution for our entire camp community it is not feasible for on-site, in-person camp programs to take place in June.

Modified programs may be possible in July. At this time we do not know exactly what that will look like. We recommend those already registered for camp hold off making any changes for now. For those that are interested in coming to camp PLEASE SIGN UP for the week you are interested in. That will help us in the planning process for possibilities in July.

When more information becomes available we will update our website, Facebook, and Instagram, and email those who have already registered.

OUR MISSION: Lutheran Outdoor Ministries Indiana-Kentucky (LOMIK) welcomes all and provides Christ-centered programs for building faith and life-long relationships in a safe, caring, and fun environment.

OUR Values: Faith-Family & Community-Service-Integrity.
