“I had a camper tell me that she wasn’t good at anything. This opened up a conversation about how God created us all with unique and beautiful gifts even if we don’t see them in ourselves or even if they haven’t been revealed to us yet. Throughout the week we began to realize her strengths in her artwork and quiet, yet bold leadership.”-Abby D. (2019 Summer Camp Staff Member)

Dear Friends

November 2019

Above is the kind of interactions that are repeated throughout the summer at LOMIK camps. Time and time again we see “lives changed” by connecting a young person with God through the camp experience at Lutheran Hills, Lutherwald & Lake Luther.

God uses these sacred spaces to engage campers in unique ways so needed in our fast paced, divided culture today. To connect a child with God is to give a child a sense of belonging, acceptance, love; a sense of meaning and value.

The Christian camp experience helps ground a child to a faith that provides the basis for character, personal conduct, positive relationships, and helps them form lifelong qualities and abilities to face life’s joys and sorrows, celebrations and challenges. A child’s Christian faith is stimulated and fortified through the camp experience. This faith is a rock upon which to build a life.

As the Executive Director of LOMIK I would like to take this opportunity to invite you to **support this work and ministry as we grow Christian faith in young people!** A gift of any amount helps us in this most important work.

Thank you for your partnership!
