Looking for a fun adventure this summer? Join us for a canoe, bicycle, and tenting adventure around and between our two northern camps.

The adventure begins at Lake Luther with a two-day (Mon & Tues) canoe/kayak trip along the Pigeon River, through the scenic Pigeon River Wildlife Area on route to Lutherwald. We'll spend a full day at Lutherwald (Weds) that includes climbing the rock wall and biking around the nearby Amish town of Shipshewana. The adventure continues with a 25-mile bike ride (Thurs) back to Lake Luther.

Participants will need a good multi-speed bike and a helmet. Don't have one? Tell us when you register and we'll provide a bike and/or a helmet.
