WELCOME TO LUTHERAN HILLS!

Any visit to Lutheran Hills—a summer camp week, a weekend retreat, a day visit—is an opportunity to make full-use of our 720 acre property. Our trails connect you a destination that connects the specific wonders of God-gifted Lutheran Hills camp property assets—streams, geodes, vistas, geological features, and unique tree and plant varieties native to southern Indiana. Our goal is for you to find the Lutheran Hills trail system to be welcoming, safe, well-marked and well-maintained.
