Adventures from LOMIK Camps & Retreat Centers

Message from the Executive Director

Dear Camp Friends,

Looking ahead, I find myself deep in the work of confirming our 2026 summer camp schedule and the schedule of retreat groups who will make their way to one of our sacred places. This process fills me with joy and anticipation, it is a glimpse into the many ways God will use our camps to touch lives in the months ahead.

This coming year, a significant number of new groups will be joining us at our three camps, which is especially exciting. Each new relationship is an open door for more people to experience camp: the joy of God's creation, the strength of community, and above all, the love of Jesus. Whether it is a first-time camper, a returning family, or a new partner ministry, each connection extends the reach of our mission and multiplies the ways faith can take root.

Reflecting on 2025, I am grateful for the countless stories of transformation that were written at camp - stories of friendships formed around campfires, prayers whispered under the stars, and young people discovering God's call in their lives. These moments are reminders that while the faces and programs grow and change, the foundation of camp remains steady.

Thank you for your prayers, your support, and your partnership. Together, we are ensuring the next generation experiences the life-changing power of camp.

Chris Miller
