

LOMIK CAMPS SUMMER 2025

TRAILBLAZER ENTERING GRADES 7-9

Trailblazer Camp is a high-energy, faith-centered camp tailored to adolescents. This week is a great way for campers to grow confident in their faith while being surrounded by other believers and experiencing God in creation.

Campers step away from the daily routine and engage in camp activities like Bible study, chapel, swimming, games, crafts, and campfires. The focus is on building community with others, meeting new friends, and reconnecting with familiar faces.

Trailblazer Servant Camp is a blend of fun and service opportunities. Campers work alongside their counselors and adult volunteers to change lives by sharing God's love with others by serving.
